

"Hang Ten"

Hang Ten is an incentive program for our Rawlinson Choir students. Hang Ten stickers will be rewarded to students for their hard work in and out of class.

Students may receive stickers for practicing at home and turning in their practice cards every Friday. Students may also earn stickers by demonstrating responsibility, 100% participation, proper singing techniques, good sight-reading skills, team spirit, and a positive attitude.

Students who earn ten stickers during the six weeks will be invited to attend a Hang Ten activity. There is ample opportunity to receive more than ten stickers each six weeks. At the end of each six weeks, the sticker tabulation starts over.

Hang Ten promotes dedication in students' work and encourages positive reinforcement of good musicianship skills.

I will need parent chaperones for each Hang Ten activity. Please indicate at the bottom of page if you would like to help. Thank you!
